

3SquaresVT

Nutritious Food for Good Health

What is 3SquaresVT?

- It is a federal nutrition program, formerly known as food stamps, that can help you buy more healthy food.
- Monthly benefits come on a debit card you use at many grocery stores and farmers markets, so you have privacy and flexibility when you shop.
- If everyone in the household is 65+ or gets SSI, benefits are directly deposited into your bank account.

Who is Eligible?

- 3SquaresVT is open to everyone who qualifies, including individuals, families, seniors and people with disabilities. Eligibility is based on household income. Many Vermonters are eligible and don't know it!
- There are special rules that make it easier for households that include a senior or person with disability, or that get the VT Earned Income Tax Credit to be eligible.

How Much Can People Get?

- Benefits are based on monthly income, expenses and household size.
- Even the minimum amount of \$15 per month can help with grocery bills!
- 9 out of 10 3SquaresVT households get at least \$50 each month.
