

# 3SquaresVT in a SNAP

is an easy way for older Vermonters and people living with disabilities to apply for 3SquaresVT benefits.

People enrolled in 3SquaresVT get money every month to buy food at grocery and convenience stores, co-ops, farmers markets, and anywhere that accepts 3SquaresVT.

Did you know that over 16,000 people in Vermont who are 60+ are enrolled in 3SquaresVT?

**3SquaresVT benefits help the entire community** by stretching our food budgets while keeping millions of dollars in Vermont each month. Shopping with 3SquaresVT helps our economy and supports our farmers, growers, and grocers.

**Everyone who qualifies has a right to get 3SquaresVT** benefits, and there are enough benefits for everyone who is eligible. By applying for and receiving benefits, we aren't taking benefits away from anyone else. Anyone who qualifies for benefits and applies will get them.

To qualify for 3SquaresVT, a person or family needs to meet income limits based on the number of people in the household.

**There are many benefits to 3SquaresVT in a SNAP, including:**

- A dedicated Benefit Specialist who you can contact directly
- A simple and short 3SquaresVT and Fuel Assistance application
- A 3 year certification period with no annual reviews

**3SquaresVT in a SNAP is for Vermont households where everyone is:**
